2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

IT integration and internal assessment can lead to increased efficiency, accuracy, transparency and students satisfaction while reducing cost and enhancing data security in an examination management system.

Results: The results of end semester examination (ESE) are furnished through the EMS viewed only by the individual students.

Issue of mark cards: CGPA of examinations is calculated after every semester and the consolidated mark cards are generated at the completion of the programme.

IT integration and reforms in the examination procedure including continuous internal assessment or formative assessment have brought significant improvement to the examination management systems of our institution.

IT integration enhances transparency with the use of IT systems.

Students, faculties and administrators have accessed to real time information regarding examination schedules, grades and other

essential details.

IT system ensures the accuracy and integrity of examination related data which reduces the risk of errors in student record and results.

It allows improved communication between students, faculty and administrators.

Students get benefit from user friendly portals that provide access to examination related information, allowing them to focus on their studies rather than administrative hassels.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

Founded with the vision to flourish as a premier institute of higher learning, and guided by the motto Tamaso ma jyotirgamaya (lead me from darkness to light), Udayanath Autonomous College of Science and Technology aims to preserve its position as the "temple of learning" in and through promoting innovative ideas and best practices in teaching and learning, extension, examination, and outreach activities among the rural youth to enhance their quality of life by identifying the rural needs. Keeping the motto of Higher Education and the demands of society, the college has the mission to develop scientific temper and critical thinking with the inculcation of human values. Achieving a distinctive national identity in the fields of sports and extension activities, resource development, and social literacy among the rural youth is the goal.

To accomplish the vision and mission, courses are designed with a well-stated program and course outcomes along with graduate attributes to develop work roles.

To sustain its vision, the college runs through three main principles - hierarchy, functional differentiation, and coordination in both academic and administrative governance. These are executed in consonance with the vision of the '5T' principles - Team Work, Technology, Transparency, Transformation, and Time Limit.

The college premises and facilities are provided for the conduct of Competitive Examinations at a nominal charge. The college has a mechanism for internal audits. The external audit is done by the Local Fund Auditor appointed by the Government of Odisha. Audit observations, if any, are addressed and action is taken on the observations contained in the audit report and reported. The accounts section monitors

- Receipts and payments
- Financial statements
- Statutory compliance

The Finance Committee is the monitoring authority for the financial management of the institution.

Systematic planning, monitoring, and control enabled the optimum utilization of our resources. The Finance Committee reviews the projection of department and item-wise requirements. Accordingly, budget allocations for infrastructure, maintenance, and other capital and revenue expenditures are made annually by the Governing Body.

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

IT integration and internal assessment can lead to increased efficiency, accuracy, transparency and students satisfaction while reducing cost and enhancing data security in an examination management system.

Results: The results of end semester examination (ESE) are furnished through the EMS viewed only by the individual students.

Issue of mark cards: CGPA of examinations is calculated after every semester and the consolidated mark cards are generated at the completion of the programme.

IT integration and reforms in the examination procedure including continuous internal assessment or formative assessment have brought significant improvement to the examination management systems of our institution.

IT integration enhances transparency with the use of IT systems.

Students, faculties and administrators have accessed to real time information regarding examination schedules, grades and other essential details.

IT system ensures the accuracy and integrity of examination related data which reduces the risk of errors in student record and results.

It allows improved communication between students, faculty and administrators.

Students get benefit from user friendly portals that provide access to examination related information, allowing them to focus on their studies rather than administrative hassels.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

Founded with the vision to flourish as a premier institute of higher learning, and guided by the motto Tamaso ma jyotirgamaya (lead me from darkness to light), Udayanath Autonomous College of Science and Technology aims to preserve its position as the "temple of learning" in and through promoting innovative ideas and best practices in teaching and learning, extension, examination, and outreach activities among the rural youth to enhance their quality of life by identifying the rural needs. Keeping the motto of Higher Education and the demands of society, the college has the mission to develop scientific temper and critical thinking with the inculcation of human values. Achieving a distinctive national identity in the fields of sports and extension activities, resource development, and social literacy among the rural youth is the goal.

To accomplish the vision and mission, courses are designed with a well-stated program and course outcomes along with graduate attributes to develop work roles.

To sustain its vision, the college runs through three main principles - hierarchy, functional differentiation, and coordination in both academic and administrative governance. These are executed in consonance with the vision of the '5T' principles - Team Work, Technology, Transparency,

Transformation, and Time Limit.
