The PI and UNAC agree but are not limited to the following research and educational needs;

Clause I

- I. To promote academic collaboration and enhance educational opportunities for students.
- II. Exchange of academic information and materials subject to the Act & statute of the college and rules & regulations of PI.
- III. To organize workshops, seminars & training programs for students.

Clause II

UNAC and PI shall have academic exchange programmes on the matter of teaching and research. The exchange programmes shall be negotiated on a case-to-case basis as agreed upon by the institutions and faculties involved in the program.

Clause III

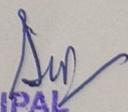

All the collaborative research activities between the two institutions shall not be considered as a legally binding document. Independent of this MoU, the institutions shall have their autonomy with respect to their academic and research programmes. Nothing, therefore, shall diminish the full autonomy of either institution, nor will any constraint be imposed by either upon the other carrying out the agreement.

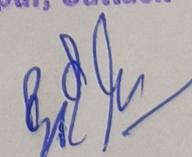

Clause IV

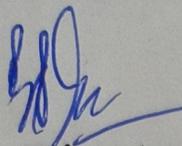

- I. This MoU shall be effective for a period of five (5) years from the date of execution.
- II. The MoU Shall automatically renew unless a written notice to terminate or amend is given six(6)months in advance by either party.

Clause V

Any dispute arising from this MoU shall be resolved through negotiation between the parties involved.
