

DEPARTMENT OF MSW

1. About the Course:-

MSW Full Form is Masters in Social Work. Candidates can pursue MSW Course after completing graduation in any stream, with at least 45% marks from a recognized university. A career as a social worker comes with loads of responsibilities, with chances to give something back to society and the nation. The course increases the chance of job opportunities. The social workers are able to find job opportunities in government as well as in private sectors. After this course **chance to work in a first growing sector, chance to work with Global NGOs, and also chance in Medicals, Educational Institutions, CSR, as a Geriatric Social worker, Counselor, Research fellow, etc.**

2. Establishment of the Department:-2015

3. Vision:-

- To build a cadre of young, competent professionals having a global perspective and a strong value base of compassion and personal integrity.
- To work with a preferential option for the vulnerable and exploited, both locally and globally.
- Connecting people, improving lives and creating social change for a just and inclusive province and world, through integrated and transformative social work education, research and community engagement.

4. Mission:-

- The MSW program promotes the profession of social work by educating students to become leaders for social change.
- To prepare the students to be highly competent professionals who are skilled at providing effective service, integrating interdisciplinary knowledge, theory, and social work values with practice to address social needs.
- The MSW program generates knowledge and inspires student for application of classroom study through field exposure.
- To cultivate leadership for social change and in the development of social service delivery systems.
- Prepare students for professional social work practice in a variety of systems.
