

Business proposal for Indian Tenders Information & Tenders Result Services

Hi,

Greetings from Tender247. . .!!!

Thank you for the opportunity to share our tender subscription details over the phone and therefore we are pleased to submit to you our proposal with multiple subscription plans with best competitive rates for your kind perusal.

About Us:

Tender247 caters to an enviable list of clients across domains and geographies with Daily Tender Notifications, Tender Results, Tender Documents & Amendments. Our services portfolio spans across arenas as diverse as Government, Semi-Government, Public Sector & Corporate Tenders & RFPs not just in India, but across the globe. Tender247 brings along some of the industry's most valued experts, a team of researchers, analysts, procurement and tender experts, who bring to you a tranquil experience of Tendering. Our team has always been keen on mastering the smart application of knowledge, research, and insights in lending unmatched expertise to our clients' bid requirements.

Service Offering:

Indian Tenders Information :

With over 2,00,000 tenders coming from government, semi government and private players from every corner of the country, partnering with us brings you one step closer to a wide range of new business opportunities - both B2B and B2G opportunities. Tenders 247 is an all-encompassing, cost effective solution to your tender needs "that gives you the confidence" of never missing a tender opportunity.

Tender Results/Award information :

The procurement industry can be complicated. With every tender being bagged by the most competitive vendor, we carefully record the details. Knowing who got a particular tender for a similar category or by a similar tendering authority, lets you know how to score high. As a member, you have access to Thousands of tender results collated over the last ten years.

Tender Document :

Our extensive network of tendering experts and agents are available to procure for you tender documents for all available tenders. We specialize in taking away the complexities out of the bidding experience by bringing you relevant tender documents. We capture the intricate details so that no valuable piece of information goes out of your perspective.

Vendor Empanelment :

Associating your company with buying organizations has its own benefits. We bring to you opportunities of getting empaneled and enlisted with both corporate and government bodies as vendors and getting the right to Bid in the more sought after tenders and RFQs. Enlistment gives you the time to position your business, allocate resources, and find strategic business partners if necessary, prior to limited tender release.
